

Bottom Line: “*You are made to do more*”

Key Scripture: *Ephesians 4:1-7, 11-13*

Engage

I think that we can all agree that we live in a consumer society. It's all about “What is in it for me?”, or “What can I get out of almost every situation we are in?”. So it makes sense that this mentality has crept into the church. We find more people wanting to just get fed but not just that, what makes them feel good. When we no longer want to eat what is being offered, we go somewhere else because “we aren't being fed”.

1. How have you seen consumerism creep into the church in this way?
2. Do you know where you fit into CrossWay? Why or why not?

Unpack

Take a moment and read through *Ephesians 4:1-7 and 11-13*.

3. What is something that sticks out to you in these verses?
4. Have you every thought about the five types of people listed in these verses as roles working together to advance God's Church or do you look at it as a pastor should occupy all five of these roles?

Apply

Hopefully you can identify with one of the roles mentioned in Ephesians 4:11. When we start to work into the framework of how God has wired us, we can see the church working in unity and the fullness of God coming out. We also start to walk worthy of the calling that has been placed on our life.

5. Do you know which of the five roles you are? Share with the group which you are and why you think you're that particular one?
6. How can this group help you figure out your next step to fully engaging in your role at CrossWay?

Take some time to pray and ask God to continually guide and lead your life.
