Bottom Line: *“Love is the base from which all foundation is built”*

Key Scripture: 1 Corinthians 13

Engage

Mother’s Day for some is filled with a lot of love and laughter. For others, it is filled with disappointment and painful memories. For me, it’s a reminder of the love that our God has for each of us. In Romans God promises that nothing will ever separate us from the love He has for us. I believe the way mothers love their children is a small reflection of that Love.

1. Are there any favorite memories you have from your mom?
2. How could you see God’s love like that of a mother and her children?

Unpack

Take a moment and read through 1 Corinthians 13

3. What is something that sticks out to you in these passages?
4. When you read verse 4-7, where might you be lacking in love?

Apply

God’s love is saying something to us... He loves us so much that He sent His Son to die for us. Jesus love means something to us... Jesus knowing what He was going to go through still choose to follow through with the plan... Knowing some of us would still reject Him. Both of those loves in action does something... It gives us a way back to God.

5. What is something that your love says, means and does?
6. Is there someone right now that comes to mind that you need to love like God loves?

Take some time to pray and ask God to continually guide and lead you life.
